@SLOCOUNTYSTAYS

POOL | HOT TUB | SAUNA

OPENING POOL COVER

- !!Cover must be left open during rain. If closed during rain cover will break!!
- Keeping cover closed when not in use will keep pool warmer and cleaner.

1. Remove rain pump from cover if present
   - Use cable to pull pump off cover
   - Unplug and set aside

2. Enter code 1234 checkmark
3. Light will turn green.
4. Hold open/close continuously
5. !! Release button immediately once cover stops !!
6. If cover stops prematurely (light flashes red), wait a few moments then move cover in opposite direction and try again.

POOL

- Shallow sports pool depth 3ft at each end and 5ft at center, no diving!
- Keep pool vacuum in the water at all times. If vacuum detaches re-attach too keep pool clean during your stay.
- Pool cleaners come every Wednesday
- Do not remove volley net

HOT TUB

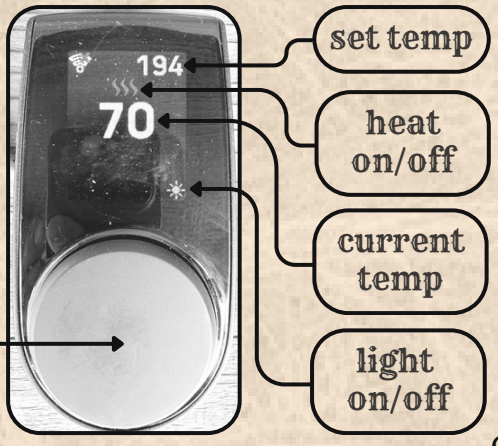

- Select preset on touchscreen to activate
- Hot tub heat will run for 2 hours
  warm up time:
  - summer ~ 30 minutes
  - winter ~ 1 hour

SAUNA

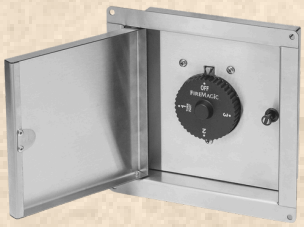

!!Do not pour water on the heater it will break. Dry sauna only!!

1. Turn dial to adjust set temperature
2. Click dial once to turn heater on/off
   (will run for 1 hour)
3. Double click dial to turn on/off light
4. Turn off interior light and heater when finished
   194˚F warm up time:
   - summer ~ 30 minutes
   - winter ~ 1 hour

BBQ

TURN ON GAS:
1. Open lower steel access panel below BBQ
2. Turn dial to set gas supply timer (max 1 hour)

LIGHT BBQ:
1. Push in burner control knob while slowly turning it to the left until you hear a click. (Ensure all other knobs are OFF)
2. If the burner doesn't light return the knob to OFF position and repeat step 1 (or use handheld lighter)

CONTROL LOCATIONS

NOISE ORDINANCE

To ensure a peaceful stay for everyone and keep in compliance with county ordinance:

- **Quiet hours 9:30pm–7:00am: no outdoor music or loud voices**
- **All other hours are still monitored but at higher limits**

How it works:

Exterior noise monitors alert us if noise stays above limit for 5 minutes (the monitor may also flash red). We'll send a courtesy message through your booking app and to your registered phone number, please adjust accordingly and take loud activities indoors or turn down speakers.

What it means:

During the day our limits are more lenient. In the evening they gradually reduce. Ignored warnings and repeat violations can result in fines and early termination of your stay without refund.

This is a residential neighborhood, and sound travels more than you may think, especially at night. Thank you for helping us maintain a great relationship with our neighbors and keeping our business running!
